

A detailed illustration of a futuristic astronaut in a silver and blue suit riding a highly advanced, metallic motorcycle. The motorcycle is sleek and aerodynamic, with a prominent headlight and a large fuel tank. The astronaut is wearing a helmet with a clear visor and is holding the handlebars. The background is a deep blue space with a bright sun or star in the upper left, a large planet or moon in the upper right, and a trail of fire and smoke behind the motorcycle, suggesting high-speed travel. The overall scene is dynamic and futuristic.
