

M. A. Zaretsky & Co.

PRC IND LIFTING

ABOUT US

M.A. Zaretsky & Co. is a leading Indian lifting & engineering products. Today after more than three decades under the leadership of Mr. Mahesh Chandra Zaretsky, various established business and new brand channels for products include international brands such as - **CONWAY, TIGER, UK, BRIDON, ELEPHANT, JAPAN, FOXE, HANNA, MANDRILL, CARLISLE, ADG** to name a few products, gaining them a wide customer base.

In 2008 our company launched the "SAFELIFT" brand of material handling equipment and lifting tools to fill the gap as we thought our India, internationally accepted brand was not recognized for safety-critical product range. Over the years, we have had the opportunity to meet customers, understand their requirements, provide customized products and solutions getting close to and by the end of general use of products, these have led to the formation of Zaretsky Lifts International division and growth of the company, supported by a team of experts in order to meet customer requirements.

INFRASTRUCTURE & EQUIPMENT

We have a well-equipped production & storage facility of about 20000 sq ft with advanced lifting facility. We have multiple production lines for manufacture of all types of rings, manual and electrical hoists and engineering products.

Our in-house quality control includes equipment & the ISO 9001:2015 certified testing machine, environmental testing machine & non-destructive testing instruments after.

BRIDON DEKARIT (UK) High Performance Wire Rope

ELEPHANT (JAPAN) Manual and Electrical Hoist

Safelift (INDIA) Manual & Electrical Hoist, CBO and CBO Riggings, Polyester Chain, Wire Rope Slings, Plate Lifting Clamps, Hydraulic Lifting Products

ROLON (INDIA) Belted Chain, Conveyor Chain & Sprockets

CUSTOMER SATISFACTION

Our customers are our top priority. Customer Satisfaction is always our top priority. We have a quality control system in place to ensure that our products are of the highest quality. We have a dedicated team to handle customer queries and complaints. We have a dedicated team to handle customer queries and complaints. We have a dedicated team to handle customer queries and complaints.

Safelift Industries

Our Story, Our History

SAFELIFT was established in 2008 to provide a complete solution for the Indian market for material handling products, safety-critical lifting equipment and for the Indian market for globally compliant solutions.

Our Founders

Mr. Mahesh Chandra Zaretsky has worked from a small family business to a prominent company for material handling products with over 30 years of experience in the industry. He has a wealth of experience in the material handling industry.

Our Vision

Safelift Industries is on the path to becoming the premier provider of material handling products, offering diverse solutions for various industrial needs.

Our Mission

- Deep understanding of customer and their needs.
- Highly customer-oriented handling solutions.
- Commitment to safety, quality, service, and value for money.

Our Drive, Our Motto

- High-quality as a fundamental ethos.
- Zero tolerance approach towards non-compliant work conditions.
- Unwavering commitment to customer needs and requirements.
- Ensuring cutting-edge safety and responsibility solutions for jobs.
