

A detailed illustration of a futuristic astronaut riding a rocket-powered motorcycle in space. The astronaut is wearing a highly detailed, metallic suit with a large helmet and a visor. The motorcycle is sleek and futuristic, with a prominent red and white stripe on the side and a large, glowing engine. The background is a deep blue space with a bright sun or star in the upper left, a crescent moon, and a planet's horizon. The overall scene is dynamic and futuristic.

# Metropolis (Font Family)

AaBbCc1234

Metropolis Font is elegant and versatile serif typeface captures the essence of classic and modern city, the dualism between the working class and the city planners. Through the elegant lines and sinuous curves this font works perfectly for a display reading or beautifully as a headline or as body copy.
