

**M. A. Zaverky & Co.**

### ABOUT US

M.A. Zaverky & Co. is a leading manufacturer of heavy-duty lifting equipment. We have a rich history of providing high-quality products and services to our customers. Our products are designed to meet the most demanding industrial and commercial applications. We are committed to providing the highest quality products and services to our customers. Our products are designed to meet the most demanding industrial and commercial applications. We are committed to providing the highest quality products and services to our customers.

### INFRASTRUCTURE & EQUIPMENT

We have a well-equipped production & storage facility of about 20000 sq ft with modern lifting facility. We have multiple production lines for the manufacture of all types of rings, manual and electrical hoists, and other lifting equipment.

**BRIDON** **BRUKARIT** High Performance Wire Ropes

**ELEPHANT** Manual and Electrical Hoists

**MIDPULL** Manual Winch

**Tiger** Air Hoist, Air Winch, Spool, Despatch and Anti-Corrosive Manual Hoist, Manual Rope Winch

**THIELE** CBO and CBO Chain & Lifting Tackles

**YEKE** CBO Rigging

**Safelift** Manual & Electrical Hoist, CBO and CBO Rigging, Polyester Chain, Wire Rope Slings, Pallet Lifting Clamps, Hydraulic Lifting Products

**POLON** Roller Chain, Conveyor Chain & Sprockets

### CUSTOMER SATISFACTION

We believe the only way to guarantee customer satisfaction is to ensure product consistency, timely quality product supply, customer-oriented service, and continuous improvement. Our company is ISO 9001:2015 certified.

**BRIDON** **BRUKARIT** High Performance Wire Ropes

### CRANES & INDUSTRIAL HIGH PERFORMANCE ROPES

**Dyform 4**

**Dyform 50DB**

**Dyform 34LR PI**

**Dyform 36LR PI**

**Dyform 36LR PI+**

**Dyform 34LR PI MAX**

**BRIDON** **BRUKARIT** High Performance Wire Ropes

### PRODUCT TABLE

Diameter (mm)	Dyform 34LR / PI	
	Weight (kg/m)	Breaking Load (kN)
10	0.10	100
12	0.16	160
14	0.22	220
16	0.30	300
18	0.38	380

100	4.45	4450

**ELEPHANT**

### HEAVY DUTY ELECTRIC CHAIN BLOCK

**DL Type** Single Speed

**DL Type** Dual Speed

Electric Chain Hoist with Electric Hoist (chain block)

Electric Chain Hoist with gear Hoist (chain block)

Electric Chain Hoist with Rope Suspension (chain block)

**MAXPULL**

### MAXPULL WINCH

Overhaul & Strong Body

Reliable & Efficient Block System

High Pulling Gear

User Friendly Body Design

Wide Span for Extended Life of Wire Ropes

Low Friction Bearings

High Safety Wire Rope Anchoring Method

**YEKE**

**M. A. Zaverky & Co.**

DL, MAF, SAF, SAFAR, ROAD, ROLLERS, TIE ROD, WIRE ROPES, CBO, CBO RIGGING, POLYESTER CHAIN, WIRE ROPE SLINGS, PALLET LIFTING CLAMPS, HYDRAULIC LIFTING PRODUCTS

**YEKE** **MIDPULL** **THIELE** **Tiger**

**M. A. Zaverky & Co.**
