

A detailed illustration of a futuristic astronaut in a highly technical, metallic suit riding a rocket-powered motorcycle. The motorcycle is sleek and aerodynamic, with a prominent circular emblem on the side. The astronaut is positioned in the center, leaning forward as if in motion. The background is a vast, dark space filled with stars, with a large, glowing blue planet and a smaller, bright sun or moon in the upper left. The overall scene is dynamic and futuristic, with a strong emphasis on advanced technology and exploration.
