

A detailed illustration of a futuristic astronaut riding a highly advanced, metallic motorcycle in space. The astronaut is wearing a complex, multi-colored suit with a large, clear helmet. The motorcycle is sleek and futuristic, with a prominent headlight and a large, rounded front fairing. The background is a deep blue space filled with stars, a bright sun or star in the upper left, and a large, glowing planet or moon in the lower left. The overall scene is dynamic and visually striking.

General Sans font family

AaBbCc1234

General Sans is rather compact, more rational, and stricter. It saves on space without looking too condensed. Also notice, that ascenders rise up to the exact height of the tops of the capital letters, which makes an orderly impression and is also beneficial for compact line-heights.

The advertisement is a rectangular panel with a dark blue background. On the left side, there is a photograph of a blue industrial valve with a handwheel, partially obscured by a large, stylized white arrow pointing to the right. The background of the panel features a faint, large gear pattern. The text is positioned on the right side of the panel.
