

A detailed illustration of a futuristic astronaut in a silver and gold suit riding a highly advanced, chrome motorcycle in space. The motorcycle is sleek and futuristic, with a large headlight and a prominent engine. The astronaut is wearing a helmet with a visor and has various pieces of equipment attached to their suit. The background is a deep blue space with a bright sun or star on the left, a large planet or moon in the upper left, and a starry field. The overall scene is dynamic and futuristic.

# BORU

## VACUFLEX®

BORU

### PU 400 C ECO

Very light and extremely flexible PU-Ether-hose

- Large elongation at break
- Tensile and abrasion resistance

#### STRUCTURE

Wall made of abrasion resistant Polyurethane - 2x.1x1x0.5mm and hydrolysis resistant woven brass thickness between the spirals (x 0.1mm) copper plated spring steel spiral embedded into wall

#### CHARACTERISTICS

Very light and extremely flexible hose with good tensile and abrasion strengths and ultimate elongation. Free of softeners, halogen and cadmium free. ECO friendly. ATEX in TRG727 and ATEX 2004/04 BII with marking at both ends of the spiral for easy removable dusts and holds safely in Zone 21. Glass and liquids with low conductivity of electrostatic charges in Zone 2

#### APPLICATIONS

Universal hose for the woodworking, plastic and chemical industry for transportation of light volatiles for air and gas transportation

#### TEMPERATURE RANGE

-40°C to +100°C short term up to +120°C

#### COLOUR

Transparent

The advertisement is displayed on a wall with grey marble tiles. It features a dark blue background on the left with a white stylized logo consisting of a large 'B' and 'R' connected by a line, and a red 'U'. To the right, there is a red-tinted image of a bundle of cables or pipes. The entire advertisement is framed by a black border.
